

# ***DEUSIM — ARCHIVE INDEX***

CONFIDENTIAL | EXECUTIVE REVIEW MATERIALS

*The following materials comprise a curated development archive for **DeusIM**, a prestige, character-driven franchise set inside the modern entertainment industry. Assets are organized to support efficient executive review across story, tone, market positioning, and franchise scalability.*

## **ARCHIVE RECOVERY — VOLUME I**

### **1. Frontispiece**

#### **The Glitched “Sam’s Mix” CD-ROM (Visual)**

A visual artifact establishing the tonal language of disruption, legacy media, and signal interference.

### **2. Internal Memo**

#### **The Sam 2026 Warning**

A narrative framing document introducing the 13 Pillars and the concept of Ancestral Intelligence (AnI) as a story engine.

### **3. Technical Log**

#### **The Whitney Protocol**

Narrative calibration notes outlining the 432Hz Signal and the Double-Inhabitation mechanism in grounded, story-first terms.

### **4. Technical Addendum**

#### **The Glitch Architecture**

A practical breakdown of the series mechanics—how heightened metaphor operates within real institutional environments (*Mr. Robot / Succession*–style realism).

## **PRIMARY STORY MATERIALS**

### **5. Pilot Script**

#### **“The Monday Mandate”**

The pilot episode introducing the core characters, world, and narrative engine through high-stakes institutional drama.

*Available upon request.*

### **6. The Archive**

#### **Season One Episode Guide**

A structured overview of Season One storylines, including the Swiss Bid, Tri-Team Trials, and the Apple Interrogation.

### **7. Proof of Concept**

#### **“The Freeze”**

A short-form scripted sequence demonstrating the Frequency Shift within a contained, cinematic moment.

## **CHARACTER & VISUAL SYSTEMS**

### **8. Casting Blueprints**

#### **The Builders**

Lead character profiles and performance frameworks for Roger (The Kingdom), Lee (The Peacock), and Sara (The Architect).

### **9. Director’s Note**

#### **The Visual Language of the Signal**

A tonal and visual guide to how the series renders pressure, interruption, and inherited legacy on screen.

## **MARKET CONTEXT**

### **10. Market Validation**

#### **Books 1–3: Early Traction & Reader Response**

Select feedback and engagement indicators demonstrating resonance with industry and executive audiences.

*All materials are intended for confidential review. Additional assets, including the full Pitch Deck and Series Bible, are available in Vault 1.*
